

Pépère Café

Dedicated to my Grandad, Steve. He always let me wear his big blue jersey and tucked me in at night with an animated version of "The Three Billy Goats Gruff", even in my twenties. We drank endless "cuppa's" while we chatted away into the drizzly Hilton afternoons, and he never forgot the Lemon Creams! A true gentleman, always in his 'Grandad' braces and vellies!

Some House Rules

Playing & running around only in the jungle gym & lawn area. Every detail of our café has been curated to create a magical, peaceful space for everyone to enjoy. Please don't let children throw gravel!

PLEASE DON'T FEED THE DOGS

Please understand that when the kitchen is very busy, we can't accommodate menu variations.
